Sai Kanth Dacha

Postdoctoral Research Scientist, Columbia University

✉ skd2165@columbia.edu • Web: www.skdacha.com/

Education

Doctor of Philosophy (Ph.D.), Physics
University of Maryland, College Park *(2016 - 2022)*

- Dissertation advisor: Prof. Thomas E. Murphy

Bachelor of Technology (B.Tech.), Engineering Physics[#]
Indian Institute of Technology (IIT) Madras *(2012 - 2016)*

- Senior thesis advisor: Prof. Deepa Venkitesh

[#] *Minor stream: Nanoscience and Nanotechnology*

Professional Experience

- Postdoctoral Research Scientist at Columbia University (Prof. Alexander Gaeta) *(Sep'22-present)*
- Graduate research intern at Nokia Bell Labs (Dr. René-Jean Essiambre) *(May'21-Dec'21)*
- Summer Undergraduate Research Fellow at California Institute of Technology (LIGO Laboratory) *(May'15-Aug'15)*

Research Interests

Nonlinear integrated photonics, multimode nonlinear fiber optics, deep-space optical communication systems, optical frequency combs, thermal phenomena in high-Q microresonators, nonlinear dynamical systems, microwave photonics, orbital angular momentum (OAM) of light

Awards & Recognitions

- Dean's Fellowship at the University of Maryland (2016-2018)
- Summer Undergraduate Research Fellowship at the California Institute of Technology (2015)
- Merit Scholarship at IIT Madras (2012-2016)

Skills

- **Experimental**: Photonic integrated circuit design & characterization, free-space and fiber optical experiments, high-speed detection systems, instrument control and automated data acquisition, focused-ion beam (FIB), scanning electron microscopy (SEM), single photon detection systems
- **Numerical**: Data analysis and visualization, computational methods for nonlinear differential equations, numerical modeling and simulation of optical systems
- **Software**: MATLAB, Python, COMSOL, Mathematica, Lumerical MODE Solutions, Adobe Illustrator & Photoshop

International Summer Schools

- Subsea Optical Fiber Communications 2020 "Mini-Dive", organized by OSA and Google *(August 2020)*
- Inaugural Subsea Optical Fiber Communications 2019 International Summer School, organized by OSA and Google in Polvijärvi, Finland *(August 2019)*

Science & Technology Policy

- Congressional science advocacy for optics and photonics R&D via the National Photonics Initiative's Congressional Visits Day *(February 2023 and July 2021)*
- Emory Global Health Case Competition - *(UMD's first participant team; link to our case presentation)*

Teaching and Mentorship

- Currently mentoring Ph.D. students at Prof. Alex Gaeta's group at Columbia University
- Student Mentor at the Graduate Student Mentorship Program at UMD's Department of Physics
- Teaching Assistant for PHYS270: General Physics III (Fall 2016). Taught and conducted tutorial sessions on a wide range of topics – from mechanics and vector algebra to electromagnetism and relativity
- Student Mentor for freshmen at IIT Madras: Mentored freshmen in academics, research and social activities
- Mentored a team of 15 students working on student-led robotics projects at the Centre for Innovation (CFI)

Leadership & Service

- Member of the Plan of Organization Committee at UMD's Institute for Research in Electronics and Applied Physics (IREAP) *(Jan'22-Aug'22)*
- Founding member of the **racial equity and justice committee** at UMD's IREAP *(2020-2022)*

- **Student Executive Head** of the Centre for Innovation (CFI[1]): *(2015-2016)*
  - Chaired a team of 100+ students to run all aspects of the student-led innovation center that gave birth to prominent Indian startups such as Ather, HyperVerge Inc., Planys Technologies and Terero Mobility Inc.
  - Oversaw operation of 13 student clubs involving 1500+ IIT Madras students, 50+ student-driven projects and internal workshops annually, at a budget of $**85,000**
- **Founded the Physics Club** at Centre for Innovation, IIT Madras, which now attracts 500+ students annually
- Led a team of 12 to create educational science magazines for underprivileged kids via the National Service Scheme in India *(2013-2014)*

Interests

- Avid photographer: Nature, culinary, wildlife, bird and insect photography *(Link to portfolio)*
- **Published and featured writer** in popular Medium journals such as 'The Faculty' and 'Being Well' *(Link to blog)*
- Chess: Self-taught player rated 2200 on lichess.org
